Privacy policy

Pursuant to Article 12 of the *Law on Personal Data Protection* ("Official Gazette of RS" no. 87/2018) TEHNIKA MB DOO, ul. Turijski put 22 , 21480 Srbobran (hereinafter TEHNIKA MB), as data controller, notifies you that it collects and processes your data (hereinafter "Data") for the purpose of sending bids for metal structures and elements, sending bids for service laser sheet metal cutting, service sheet metal perforation, service plasticization, as well as customer satisfaction analysis and will not be used for other purposes.

In this regard, TEHNIKA MB notify the persons from whom data is collected on the following:

- Data collected by TEHNIKA MB when receiving requests for offer for metal structures and elements, via the website: contact person's first and last name, phone number and e-mail contact person from the organization who uses TEHNIKA MB services.
- If a person, instead of an official phone and email number, leaves their private contact details, it is thought that he has consented to processing the personal data relating to him.
- TEHNIKA MB collects and processes data by sending quote requests and customer satisfaction analysis that you fill out after the product is finished.
- Consent to data collection is given in writing by the customer when the customer satisfaction analysis is filled out, and electronically (opt in) when the client sends an offer request through the website.
- Data collected is saved
 - consent until the revocation of consent for processing, restrictions, or other actions limiting the given consent of the
 - in case your data is used for the realization of the contract, until the expiration of the contractual obligation

- o if the basis for data processing is our legitimate interest, and until the submission of a complaint or revocation of consent,
- TEHNIKA MB will not use the data specified in the application and questionnaires for other purposes other than the above, will not give it to third parties or misuse it in any other way.

Data processing is not allowed:

1. if the natural person has not given consent for processing, i.e. if the processing is done without legal authorization;
2. if it is performed for a purpose different from the one for which it is designated, whether performed on the basis of the consent of the person or the legal authority for processing without consent;
3. if the purpose of processing is not clearly determined, if amended, unauthorized, or already achieved;
4. if the person to whom the Data relates is determined or determined and after the purpose of processing is achieved;
5. if the processing method is illegal;
6. if the data being processed is unnecessary or ineligible for the purpose of processing;
7. if the number or type of Data that is processed is a disproportionate processing purpose;
8. if the Data is untrue and incomplete, that is, when it is not based on a credible source or is obsolesced;

The person whose data is collected and processed has the rights:

1. Revoke consent for data processing in writing. Data processing is not illegal after the consent is revoked.
2. On a data processing notification;
3. Insight and copy of the data being processed;
4. On the request for an update, update, update, deletion of data (unless clearly determined the purpose of processing or alteration, and the conditions for the modified purpose are not met, if the data is no longer required to achieve the purpose and if the processing method is illegal, the data falls within the number and type of data whose processing is disproportionate to the purpose or the data is incorrect. , and cannot be replaced by an update correctly, the data is processed without consent or authority based on the law and in other cases when processing cannot be performed in accordance with the laws on personal data protection); interruption and temporary suspension of processing (if the accuracy, completeness and updating of data is challenged); as well as the right

to mark this data as disputed until their accuracy, completeness and up-to-date is determined

If you have any questions regarding the processing of your personal Data, you can contact us:
